Primary Examiner, Art Unit 3726

1. The following is an examiner's statement of reasons for allowance: Page 19 of the present response/argument refers to pages 10 to 15 of the response dated February 11, 2010. It is noted that the examiner declined to respond to those arguments since the argued limitations weren't in the claims yet. Applicant has amended claims 8 and 21 to set forth the desired milled shape and desired final contour, and the collision contour has been defined relative to that structure, such that pages 10 to 15 of that previous response now apply. Those pages 10 to 15 discuss the Koch reference and argue that the collision contour of Koch is based upon the surface in the process of being formed, not the desired final contour. Thus, Koch does not cover the situation discussed relative to figure 1 of the present application. There is no suggestion to make the collision contours of Koch "corresponding to a surface or edge of the at least one sidewall of the desired final contour" as set forth in claim 1 or to define the "collision contour of said desired milled shape or said milled component" as set forth in claim 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 8-17, 20-23, 25, 28, and 31-34 are allowed.

3. Any inquiry concerning the content of this communication from the examiner should be directed to Daniel Howell, whose telephone number is 571-272-4478. The examiner's office hours are typically about 10 am until 6:30 pm, Monday through Friday. The examiner's supervisor, David Bryant, may be reached at 571-272-4526.

Art Unit: 3726

In order to reduce pendency and avoid potential delays, Group 3720 is encouraging FAXing of responses to Office actions directly into the Group at FAX number to 571-273-8300. This practice may be used for filing papers not requiring a fee. It may also be used for filing papers which require a fee by applicants who authorize charges to a USPTO deposit account. Please identify Examiner Daniel Howell of Art Unit 3726 at the top of your cover sheet.
